Name: StatPad

Description: The purpose of Stat Pad will be to inform people of all ages about information on football players and teams. This will include not only yearly stats for players and teams but also stats for each game. The home page will give a description of the app as well as promote some featured teams. The About Us page will show who I am and my purpose for this project. I hope to be able to inform everyone on information around football.

Page Names: Home Page, About Us, Team Stats, Player Stats, Coach Stats

Manipulative Data: It is clear that the main things that will be changed are player information (by game and year) as well as team stats and coach stats on game events.
